**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In our house we use a local fiber connection to the internet. It is very important that this alternative company is available. Please encourage more competition and don't let a few big companies dominate the market. We have had both AT&T and Comcast and they were problematic; the fiber alternative is much better, including both internet and phone.

Thank you,

Mario Guttman
